PUBLIC NOTICE

Dear beloved brothers and sisters,

As you know it has been now three and half years since I have been with you as your assistant curate. It has been an exciting and challenging journey full of nothing but good memories.

Since last autumn I felt it was time for me to move to a new phase of my ministry. Today, I am delighted to announce to you that Bishop Robert is going to license me to minister in the office of chaplain in the Anglican Church of Liege, Belgium. The Licensing Service will be held on Sunday 7 March in Liege. I remain with you until end of February. Please keep me in your prayers as I prepare for this new post.

It has been for me a great honour and a real blessing to serve such a wonderful church family over the past three and half years of my curacy. Thank you so much for your love and support.
